Subject: Want to catch up on BDCP?

Hi Guys!

I was fortunate to see Paul yesterday at a discussion with DWR about BDCP and the CWA JD. I realized after talking with Paul that I am overdue in bringing you all up to speed on what's going on with BDCP. Anyone interested in scheduling an hour just to catch up informally?

Rob, we can tailor things to the JD for you. Other items are really just about status, a NEPA-404 MOU with DWR, some fun LEDPA things to think about, and all the special attention the process is getting in our nation's capital city.

My schedule is pretty open next week but I am still 80% time so I leave (or try to leave) around 2:00 PM Tuesday - Friday. Monday I stay until 4.

Hope you're all happy and well!
